WILL COVERNOR GARDNER ACT?

Now that it has been disclosed that a police officer led the mob that lynched a Negro near Moberly receivily, the vrime becomes more revoluting, became it is shown that it was a police officer who actually add the shooting. The common stereotyped statement camounting, became it is shown that it was a police officer who actually add the shooting. The common stereotyped statement camounting of which the participants, will not suffice in this case.

The unanimous verdict id. all fair-minded people on the question of lynching is that "the others lailed to do their duty." The people are getting tired of this "week-kneed" policy that is getting the Nation, being algored by men in authority, and are now rallying for men who has for law and order (Gov. Knowing the conditions as they usually exist in communities, that is, how hard it is to get the local authority is do their duty in such cases. Covernor tearniers should instinct the Atomic Generators of this previous deed.

WANTER 500 HAIRDRESSERS

Beautiful, Long, Soft, Glossy, Wavy Hair THE GREATEST DESIRE OF EVERY WOMAN WHOSE HAIR IS SHORT, COARSE AND WIRY

Most of a woman's attractiveness depends on her hair. She may have a lovely complexion, her clothes becomingly tailored, but without pretty, soft, glossy, wavy hair, she would lack that charm so much desired.

You will be more attractive, popular in social life, successful in business. You will be admired by every-body, if you will care for your hair properly so as to make it grow longer, softer and dress it to become your style of beauty.

HOW YOU CAN IMPROVE YOUR HAIR

If your hair is dry, wiry and coarse, it is necessary to use a treatment that will feed the roots of the hair. Dandruff will cause your hair to become dry, wiry and brittle and soon fall out, and a preparation that will also relieve this scalp trouble is very important.

The proper washing of the hair and scalp must be given every care and a pure medicated Soap or Sham-

THE BEST HAIR DRESSING

Black and White Hair Dressing is a new white preparation composed of the purest and best incredients known by specialists to relieve dandruff and make the hair grow soft and glossy. Some time was spent in testing the merits of this new hair dressing, and the manufacturers now believe that they have the best preparation on the market. Certainly there is no dressing just like Black and White for hair troubles.

HOW TO USE BLACK AND WHITE HAIR DRESSING

First wash the hair thoroughly with a good soap or shampoo. (There is nothing better than Black and White Soap.) Then apply Black and White Hair Dressing in little pieces night and morning, rubbing well into the soalp. Brush the hair thoroughly several times a day, if possible. Wash the hair again in one week. The regular and continued use of Black and White Hair Dressing will so improve your hair that you will be proud of the day you bought your first package.

HOW TO MAKE YOUR OWN SHAMPOO

While the creamy lather of a cake of Black and White Soap is superior for relieving dandruff and clean-sing the scalp and hair, some people prefer a liquid shampoo. You can make your own shampoo by shaving a quarter of a cake of Black and White Soap and dissolving in a pint of water. When cool it is ready for use. This pint of liquid soap costs but little and lasts a long time. Get a bar, of Black and White Soap and try it.

Black and White Hair Dressing can be bought at any good drug store, but if your local dealer will not supply you with this new white hair preparation, bearing the Black and White Circular Label, accept no substitutes—send the Plough Chemical Co., Memphis, Tenn., 50c for a package of the Hair Dressing and a bar of Black and White Soap, or, 3 packages Black and White Hair Dressing and 2 bars Black and White Soap will be sent you postpaid for \$1.00.

FREE: Try this new white Black and White Hair Dressing FREE. Send your name and address for sample, literature and a copy of the "Wheel of Fortune." Address Dept. S.
